

## ECO WINDOW CLEANER

T139

## 1 IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND OF THE COMPANY/UNDERTAKING

Product Code T139

Product Name ECO WINDOW CLEANER

Manufacturer : Selden Research Limited  
Staden Lane Business Park, Staden Lane,  
Buxton, Derbyshire. SK17 9RZ  
United Kingdom

Tel : 01298 26226  
Fax : 01298 26540  
Email : sales@selden.co.uk

## 2 HAZARDS IDENTIFICATION

Not regarded as a health or environmental hazard under current legislation.

## 3 COMPOSITION/INFORMATION ON INGREDIENTS

| Name        | EINICS No. | CAS No. | Content | Classification   |
|-------------|------------|---------|---------|------------------|
| PROPAN-2-OL | 200-661-7  | 67-63-0 | 1 - 5%  | F;R11 Xi;R36 R67 |

The Full Text for all R-Phrases are Displayed in Section 16

## 4 FIRST-AID MEASURES

|              |                                                                                                                         |
|--------------|-------------------------------------------------------------------------------------------------------------------------|
| INGESTION    | DO NOT INDUCE VOMITING!, Rinse mouth thoroughly., Drink plenty of water., Get medical attention.                        |
| SKIN CONTACT | Rinse with water., Get medical attention if any discomfort continues.                                                   |
| EYE CONTACT  | Promptly wash eyes with plenty of water while lifting the eye lids., Get medical attention if any discomfort continues. |

## 5 FIRE-FIGHTING MEASURES

|                     |                                                                                                     |
|---------------------|-----------------------------------------------------------------------------------------------------|
| EXTINGUISHING MEDIA | This product is not flammable., Use fire-extinguishing media appropriate for surrounding materials. |
|---------------------|-----------------------------------------------------------------------------------------------------|

## 6 ACCIDENTAL RELEASE MEASURES

|                           |                                                                                                                                                                                                          |
|---------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| PERSONAL PRECAUTIONS      | Stop leak if possible without risk., Absorb in vermiculite, dry sand or earth and place into containers., Flush with plenty of water to clean spillage area., Do not contaminate water sources or sewer. |

## 7 HANDLING AND STORAGE

|                   |                                                                                                                                                  |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| USAGE PRECAUTIONS | Eye protection should be considered where there is a risk of splashing. Rubber gloves and barrier cream are recommended when using any chemical. |
| USAGE DESCRIPTION | Store in tightly closed original container in a dry, cool and well-ventilated place., Keep in original container.                                |

## 8 EXPOSURE CONTROLS/PERSONAL PROTECTION

| Name        | Std | TWA - 8 hrs | STEL - 15 min | Notes              |
|-------------|-----|-------------|---------------|--------------------|
| PROPAN-2-OL | WEL | 400 ppm     | 999 mg/m3     | 500 ppm 1250 mg/m3 |

## PROTECTIVE EQUIPMENT

|                  |                                                                                                                                                             |
|------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| HAND PROTECTION  | For prolonged or repeated skin contact use suitable protective gloves.                                                                                      |
| EYE PROTECTION   | Safety glasses are not normally required. However their use is recommended where there is a risk of spray mist or splashing when using or handling product. |
| OTHER PROTECTION | General workwear only                                                                                                                                       |

## 9 PHYSICAL AND CHEMICAL PROPERTIES

|                          |                                  |
|--------------------------|----------------------------------|
| APPEARANCE               | Liquid                           |
| COLOUR                   | Light (or pale), Green           |
| ODOUR                    | Characteristic, Odour of alcohol |
| BOILING POINT (°C)       | 100                              |
| RELATIVE DENSITY         | 0.993 - 1.003 @ 20 C             |
| pH-VALUE, CONC. SOLUTION | 3.5 - 4.2                        |
| SOLUBILITY               | Completely soluble in water      |

## 10 STABILITY AND REACTIVITY

|                                  |                                                     |
|----------------------------------|-----------------------------------------------------|
| STABILITY                        | Stable under normal temperature conditions.         |
| CONDITIONS TO AVOID              | Avoid excessive heat for prolonged periods of time. |
| HAZARDOUS DECOMPOSITION PRODUCTS | Not known.                                          |

## 11 TOXICOLOGICAL INFORMATION

|           |                                                                                                             |
|-----------|-------------------------------------------------------------------------------------------------------------|
| INGESTION | Liquid irritates mucous membranes and may cause abdominal pain if swallowed., Diarrhoea., Nausea, vomiting. |
|-----------|-------------------------------------------------------------------------------------------------------------|

|              |                                                  |
|--------------|--------------------------------------------------|
| SKIN CONTACT | Prolonged contact may cause dryness of the skin. |
| EYE CONTACT  | Irritation is likely.                            |

**12 ECOLOGICAL INFORMATION**

|             |                                                                                               |
|-------------|-----------------------------------------------------------------------------------------------|
| ECOTOXICITY | Not classed as Hazardous to the Environment but release to the environment should be avoided. |
|-------------|-----------------------------------------------------------------------------------------------|

**13 DISPOSAL CONSIDERATIONS**

|                  |                                                                                |
|------------------|--------------------------------------------------------------------------------|
| DISPOSAL METHODS | Dispose of waste and residues in accordance with local authority requirements. |
|------------------|--------------------------------------------------------------------------------|

**14 TRANSPORT INFORMATION**
