

## V100 : DAILY WASHROOM CLEANER

Washroom Cleaning Concentrate

### Description of product

Pleasantly perfumed concentrated all round washroom cleaner. Contains powerful bactericide. Effectively kills bacteria on all hand touch surfaces - taps, toilet flush handles, door handles etc.

### Directions

Follow the pictorial guide on the bottle. Squeeze bottle to fill the top reservoir, when the reservoir is full tip the contents into either a trigger spray bottle or a bucket containing warm/hot water. A second dose may be necessary in larger buckets, do not repeat the dose into trigger spray bottles.

### iNsignt Supported

iNsignt is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/insight>

### Environmental Profile

#### Biodegradability

All biocides/disinfectant/preservatives contained within Selden products fully comply with the EU Biocidal product Directive 98/8/EC, ensuring a high level of protection for humans, animals and the environment. All surfactants contained in Selden Products meet the requirements of the EU Detergent Directive 2005 – 2004/648/EC. This requires all surfactants to break down both quickly and completely into harmless material such as CO2 and water.
