

PRODUCT SAFETY DATA SHEET

1. IDENTIFICATION OF THE PREPARATION AND THE COMPANY IDENTIFICATION.

Trade Name:

VANISH Stain Remover - Pre-Wash Trigger

Product Format:

White liquid contained in a plastic bottle with a trigger

Product Use:

Laundry aids

Supplier in UK:

Reckitt Benckiser (UK) Ltd
Wellcroft House
Wellcroft Road
Slough,
Berkshire
SL1 4AQ

Supplier in The Republic Of Ireland:

Reckitt Benckiser Ireland Ltd
7 Riverwalk
Citywest Business Campus
Dublin 24
Ireland

Contact Telephone: 0845 769 7079

Contact Telephone: 01 661 7318

Contact Email: consumer.relations-ukroi@reckittbenckiser.com

Date Issued:

25 Jun 2009

RB Reference No:

7028930201

Issue:

1

Revisions:

New issue

2. HAZARDS IDENTIFICATION.

The preparation is classified as Dangerous according to EU Directive 99/45/EC.

Xi R36 Irritating to Eyes

3. COMPOSITION / INFORMATION ON INGREDIENTS.

The product contains the following components

Components	CAS; EINECS	Concentration	R Phrases	Classification	Registration Number
Aliphatic Alcohol, ethoxylated	68131-39-5; ---	Below 5 %	R41, R50	Xi, N	not available
Aliphatic Alcohol, ethoxylated	106232-83-1; ---	Below 5 %	R22, R41, R50	Xn, N	not available
Preservative	55965-84-9;	Below 5%	R23/24/25-34-43-50/53	T, N	not available

Key to R phrases

R22 Harmful by ingestion
R23/24/25 Toxic by inhalation, in contact with skin and if swallowed
R34 Causes burns
R41 Risk of serious damage to eyes
R43 May cause sensitisation by skin contact
R50 Very toxic to aquatic organisms
R50/53 Very toxic to aquatic organisms, may cause long terms adverse effects to the aquatic environment

4. FIRST-AID MEASURES.

<u>Immediate medical attention</u>	In case of ingestion and eye contact the immediate medical attention is required
<u>Eye Contact</u>	Rinse immediately with plenty of water for 15 minutes (open eyelids). Seek medical advice.
<u>Skin Contact</u>	Wash skin with plenty of water. If any irritation persists, seek medical advice immediately
<u>Inhalation</u>	If adverse effects after breathing fumes: fresh air.
<u>Ingestion</u>	Do not induce vomiting. Rinse mouth out with water. Seek immediately medical advice or contact the nearest anti-poison center.

5. FIRE-FIGHTING MEASURES.

<u>Specific Dangers</u>	Contact with eyes may cause irritation. the product is not dangerous under normal conditions of use
<u>Extinguisher Type</u>	The product is not flammable. Use extinguishing media that appropriate for the surrounding fire.
<u>Protective equipment for fire-fighting</u>	No special requirements.

6. ACCIDENTAL RELEASE MEASURES.

See also Sections 8 and 13

Personal precautions	Carefully handling of chemicals is a general requirement. Avoid contact with skin and eyes.
Environmental precautions	See point 13.
Means of cleaning	See point 13.

7. HANDLING AND STORAGE.

<u>Handling</u>	Always store the product in its own packs. Avoid contact with skin and eyes.
<u>Storage</u>	Store the closed packages in a cool area and under dry conditions

8. EXPOSURE CONTROLS AND PERSONAL PROTECTION.

<u>Eye protection</u>	Wear safety goggles if the exposure is likely to be prolonged.
<u>Skin protection</u>	Wear safety goggles if the exposure is likely to be prolonged.
<u>Respiratory protection</u>	In case of airborne dusting wear dust mask (P2 recommended).
<u>Body protection</u>	No special requirements.
<u>Hand protection</u>	Protective gloves.

9. PHYSICAL AND CHEMICAL PROPERTIES.

<u>Appearance</u>	White light viscous, opacified liquid
<u>Odour</u>	With perfume
<u>pH</u>	6.9 - 7.5
<u>Density (g/ml) at 20°C</u>	1.00 ± 0.02
<u>Viscosity 25°C (RVL s2, 10rpm)</u>	800 - 3200 cps

10. STABILITY AND REACTIVITY.

<u>Conditions to Avoid</u>	Keep away from heat sources.
<u>Materials to Avoid</u>	The product doesn't reach under normal condition of use

11. TOXICOLOGICAL INFORMATION.

Acute toxicity	LD50 > 2000 mg/Kg (based on raw materials data)
Irritancy - eyes	Irritant
Irritancy - skin	Not irritant

12. ECOLOGICAL INFORMATION.

The product is not classified as dangerous according to EU Regulation 99/45/EC
The incorporated surfactants are ultimate aerobically biodegradable as per EU Regulation 648/2004 (Biodegradability >60%, 28 days, OECD 301 Testing Series or equivalent methodology).

13. DISPOSAL CONSIDERATIONS.

<u>Bulk Quantities:</u> means, (Unsold stock)	In the case of spillage do not wash with water but absorb with plenty of inert material (sawdust). The mixture collected must be considered special waste and must be disposed of by proper means The empty containers must be considered special waste and must be disposed of by proper professional means
---	---

14. TRANSPORT INFORMATION.

Not classified as dangerous under transport regulations.

15. REGULATORY INFORMATION.

The product is classified as Irritating to eyes according to Directive 99/45/EC.

Labelling Information

Xi - IRRITANT

R phrases	R36 Irritating to eyes
Safety advices	S2 Keep out of reach of children S25 Avoid contact with eyes S26 In case of contact with eyes rinse immediately with plenty of water and seek medical advice S46 If swallowed, seek medical advice immediately and show this container or label
EC Annex I Classification	Irritant Xi - R36
Chemical Safety assessment following regulation 1907/2006/EC:	Not relevant, therefore no annex to this document.

This document complements the technical usage instructions but does not replace them. The information contained herein is based on our best current knowledge of the product concerned, and is given in good faith. The attention of recipients is drawn to (amongst other things) the element of risk consequent to use of the product other than that for which it was intended.

In no way does this document remove the need of the recipient of the product to fully understand and apply statutory requirements. It is the recipient's sole responsibility to take due precautions relative to the use made of the product. All information contained herein is only to assist the recipient in fulfilling their statutory duty connected with the use of hazardous materials.

This list of information must not be considered as exhaustive, and does not exonerate the recipient from taking other precautions described in documents other than those mentioned, concerning the storage and use of the product, for which they remain the sole person responsible.
